I am very surprised in receiving back the corporation report of my above corporation for being late when in fact it was prepared and sent to you together with my check for \$ 150.00 dated 04/25/2000, on time, on 04/25/2000.

I don't know how you arrived to the conclusion that the report was sent late. If it is because the report shows dated 05/25/2000, that was an error that I probably committed when I typed it up due to the fact that my secretary was not in the office that week.

You can see that my check is dated 04/25/2000, and on that date the corporation report was also prepared and sent to you.

How could I had typed up the report and write up a check for \$ 150.00 using different dates, for me that is impossible and makes no sense. The date on the report is wrong and should be 04/25/2000 as it appears on the check.

Please understand me. I always filed the corporation report long before the due date and you can check that by checking yours records.

Our corporation is a very small one and do its best to finance the payment of \$ 150.00 because I fact it makes no enough money and hardly survives.

I just talked to Mss Michele Milligan (examiner) from your office and explained her this problem and she advised me to write this letter and sent back the report you send back to me to appeal.

I would appreciate much your understanding.

Sincerely yours,

**Eduardo Ugarte
President**
