RE: 59-3336049

Upon balancing our checking accounts, we discovered that the check we had mailed with our URB back in April had not cleared. We contacted the phone number listed in the original packet and they could not find that it had been received but stated that there was a back log of reports. They then gave us another phone number, 850-487-6059 which we tried this morning. They also were unable to locate our report and suggested that we resubmit another check, a copy of our original report and a letter of explanation to the address above.

Please find enclosed the documents requested which we have mailed certified to avoid any further confusion. Thank you for your assistance in clearing up this matter.

Sincerely,

Dynasty Technologies, Inc.
