The President shall have the honor and privilege of the President of the United States. He shall have the honor and privilege of the President of the United States. He shall have the honor and privilege of the President of the United States.

The first of these is the fact that the
 results of the experiments are in general
 in good agreement with the theoretical
 predictions. This is particularly true
 in the case of the first two experiments
 where the results are in excellent
 agreement with the theoretical predictions.
 The third experiment, however, shows
 a slight deviation from the theoretical
 predictions, which may be due to
 experimental errors or to the fact that
 the theoretical predictions are not
 completely correct.
