To whom it may concern:

The purpose of this letter is an explanation to the application for reinstatement along with the processing fee of \$150.00 for this year.

Unfortunately, due to a mailing or computer problem, we did not receive our renewal form this year, nor did we receive a notice of dissolution. We went ahead and called on November 16 to find out the situation. We were told to go ahead and send in the application along with the \$150.00 fee since the Department had encountered a problem with many other corporations not receiving their forms in the mail. In the past, we have always sent in our renewal in a timely manner.

On November 21, 2000 we called to verify the status of our reinstatement, we were advised that the department was behind in processing the mail. We understand that the division does receive many renewals per day, but we have a closing to do on November 30, 2000 and will not be able to proceed unless the corporation is reinstated. Therefore, we are in urgent need of being reinstated and are sending another check for the amount of \$150.00 with the application along with this letter to be hand delivered. We would appreciate if you could please process this renewal as soon as possible. Also, when you receive the other check in the mail if you could please return it to us, it would be appreciated.

If you have any questions, please do not hesitate to contact me at your convenience.

Thank you for your cooperation.

Sincerely,

Lesly Benoit, Jr.
