Re: 2001 USB

Dear Division of Corporations,

I am writing this letter because I do not feel that I should have to pay the penalty for late filing as I did not receive the initial booklet in the mail.

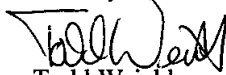

While I know the mailing is a convenience to me, I am sure you will agree most people tend to rely on receiving the booklet in the mail.

I did receive the late filing booklet. However, I mistakenly thought this was the regular filing and that the yearly fee had gone up. When I went to write the check, I happened to talk to a friend of mine who said the price did not go up. It was only then I realized what happened.

If you check your records, you will see that I have never been late with the payment and am usually well ahead of the due date.

I appreciate your consideration in this matter and have enclosed a check for \$150.00 covering the regular filing fee.

Thank you,

Todd Weinkle
