RE: Reinstatement Bay Area Diagnostics, Inc.

This letter is being written in request that your office please reinstate Bay Area Diagnostics, Inc. Our office is in receipt of a notice stating our corporation will be dissolved as of Sept. 26, 1997. We recieved this as a first notice in our office October 25, 1997. We have an accounting service that handles all of our corporation paperwork. I did not realize this was due. I give all paperwork to our accounting office if she does not recieve it, it doesn't get done. Since I never received anything in our office until now, I never sent anything to her she, not communicating with me assumed I took care of it. This is the first notice I have been sent. In speaking with Stacy from your office, October 28, 1997, I was advised to sent a check for \$165.00 with this letter of explanation with a request to reinstate our corporation as this was an honest mistake and our record shows this is the first time this has occurred. She also explained this would be the last time this would be considered and that if I don't receive something by January that it is our responsibility to get this taken care of. Enclosed you will find our check for \$165.00 please reinstate our corporation. I greatly appreciate the assistance of your office in this matter.

Sincerely,
