### **ARTICLE XII - CONTRACTS INVOLVING OFFICERS AND DIRECTORS**

(a) No contract or other transaction between the corporation and one or more of its directors or officers, or between the corporation and any other corporation, firm, or entity in which one or more of the corporation's directors or officers are directors or officers, or have a financial interest, shall be void or voidable solely because of such relationship or interest, or solely because such director(s) or officer(s) are present at or participate in the meeting of the Board of Directors or a committee thereof which authorizes, approves or ratifies such contract or transaction, or solely because his or their votes are counted for such purpose, if:

(1) The fact of such relationship or interest is disclosed or known to the Shareholder or the committee which authorizes, approves or ratifies the contract or transaction by a vote or consent sufficient for the purpose, without counting the votes or consents of such interested director or directors; or

(2) The contract or transaction is fair and reasonable as to the corporation at the time it is authorized.

(b) Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Shareholders or of a committee thereof which authorizes, approves, or ratifies such contract or transaction.

### **ARTICLE XIII - INDEMNIFICATION OF OFFICERS AND DIRECTORS**

(a) The corporation hereby indemnifies and agrees to hold harmless from claim, liability, loss or judgment any director or officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative (other than an action, suit or proceeding by or on behalf of the corporation to procure a judgment in its favor), brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity as director, officer, employee or agent of the corporation or any other corporation, partnership, joint venture, trust or other enterprise in which he served at the request of the corporation, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees actually and reasonably incurred as a result of such action, suit or proceeding or any appeal thereof, if such person acted in good faith in the reasonable belief that such action was in, or not opposed to, the best interests of the corporation, and in criminal actions or proceedings, without reasonable ground for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not create a presumption that any such director or officer did not act in good faith in the reasonable belief that such action was in, or not opposed to, the best interests of the corporation. Such person shall not be entitled to indemnification in relation to matters as to which such person has been adjudged to have been guilty of gross negligence or willful misconduct in the performance of his duties to the corporation.

(b) Any indemnification under paragraph (a) shall be made by the corporation only as authorized in the specific case upon a determination that amounts for which a director or officer seeks indemnification were properly incurred and that such director or officer acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, and that, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made either (1) by the Shareholders by a majority vote of a quorum consisting of shareholders who were not parties to such action, suit or proceeding, or (2) by a majority vote of a quorum consisting of shareholders who were not parties to such action, suit or proceeding.

(c) The corporation shall be entitled to assume the defense of any person seeking indemnification pursuant to the provisions of paragraph (a) above upon a preliminary determination by the Shareholders that such person has met the applicable standards of conduct set forth in paragraph (a) above, and upon receipt of an undertaking by such person to repay all amounts expended by the corporation in such defense, unless it shall ultimately be determined that such person is entitled to be indemnified by the corporation as authorized in this article. If the

corporation elects to assume the defense, such defense shall be conducted by counsel chosen by it and not objected to in writing for valid reasons by such person. In the event that the corporation elects to assume the defense of any such person and retains such counsel, such person shall bear the fees and expenses of any additional counsel retained by him, unless there are conflicting interests between or among such person and other parties represented in the same action, suit or proceeding by the counsel retained by the corporation, that are, for valid reasons, objected to in writing by such person, in which case the reasonable expenses of such additional representation shall be within the scope of the indemnification intended if such person is ultimately determined to be entitled thereto as authorized in this article.

(d) The foregoing rights of indemnification shall not be deemed to limit in any way the power of the corporation to indemnify under any applicable law.
