ARTICLE III
NATURE OF CORPORATE BUSINESS AND POWERS

The general nature of the business to be transacted by this Corporation shall be to engage in any and all lawful business permitted under the laws of the United States and the State of Florida.

ARTICLE IV
CAPITAL STOCK

The maximum number of shares of stock that this Corporation is authorized to issue and have outstanding at any one time shall be ten million (10,000,000) shares of Common Stock having a par value of \$.005 per share and two million (2,000,000) shares of Preferred Stock having a par value of \$.01 per share. The designations, preferences, limitations and relative rights of the shares of each class of Preferred Stock are as follows:

Series A Preferred Stock

1. Designation and Number of Shares. The Series A Preferred Stock shall be designated "Series A Cumulative Convertible Preferred Stock" of a par value of \$.01 each (the "Series A Preferred Stock"), and the number of shares constituting the Series A Preferred Stock shall be 375,000 shares.

2. Dividend Rights. Commencing July 1, 1997, holders of shares of the Series A Preferred Stock shall be entitled to receive dividends at an annual rate of 9.6% (\$.096) per share out of funds legally available therefor and when and to the extent declared by the Board of Directors. Dividends shall be payable in arrears in semi-annual installments on January 1 and July 1 in each year, commencing January 1, 1998. Dividends on the Series A Preferred Stock shall be fully cumulative.

Dividends may be paid either in cash or in Common Stock of the Corporation or a combination thereof. In the event that the Corporation, in its sole discretion, chooses to pay dividends through the issuance in whole or part of its Common Stock, those shares of Common Stock of the Corporation issued to satisfy such dividends shall be valued at the average closing price of the Common Stock of the Corporation for the five trading days preceding declaration of such dividend or, in the absence of a trading market for the Common Stock of the Corporation, at the fair value thereof as determined by the Board of Directors.

If on any dividend payment date, the holders of the Series A Preferred Stock shall not have received the full dividends provided for in the other provisions of this paragraph 2, then such dividends shall cumulate, whether or not earned or declared, with additional dividends thereon for each succeeding full dividend period during which such dividends shall remain

unpaid. Unpaid dividends for any period less than a full dividend period shall cumulate on a day-to-day basis and shall be computed on the basis of a 365-day year.

3. Distributions Upon Liquidation, Dissolution or Winding Up. In the event of any voluntary or involuntary liquidation, dissolution or other winding up of the affairs of the Corporation, but before any distribution or payment shall be made to the holders of Common Stock and the holders of the Series A Preferred Stock shall be entitled to be paid \$1.00 per share on all outstanding shares of Series A Preferred Stock as of the date of such liquidation or dissolution or such other winding up plus any accrued and unpaid dividends thereon to such date, and no more, in cash or in property taken at its fair value as determined by the Board of Directors, or both, at the election of the Board of Directors. If such payment shall have been made in full to the holders of the Series A Preferred Stock and any subsequent issue of Preferred Stock, the remaining assets and funds of the Corporation shall be distributed among the holders of any Junior Preferred Stock so designated and thereafter to the holders of Common Stock of the Corporation. If, upon any such liquidation, dissolution or other winding up of the affairs of the Corporation, the net assets of the Corporation distributable among the holders of all outstanding shares of the Series A Preferred Stock, and any subsequent issue of Preferred Stock issued on a pari passu basis shall be insufficient to permit the payment in full to such holders of the preferential amounts to which they were entitled, then the entire net assets of the Corporation shall be distributed among the holders of the Series A Preferred Stock and any subsequent issue of Preferred Stock issued on a pari passu basis ratably in proportion to the full amounts to which they would otherwise be respectively entitled. Neither the consolidation or merger of the Corporation into or with another corporation or corporations, nor the sale of all or substantially all of the assets of the Corporation to another corporation or corporations shall be deemed a liquidation, dissolution or winding up of the affairs of the Corporation within the meaning of this paragraph.

4. Conversion Rights. Holders of the Series A Preferred Stock will have the right, at their option and subject to procedures established from time to time by the Corporation, to convert the Series A Preferred Stock into the Corporation's Common Stock at a conversion price of \$1.25 per share of Common Stock. The Company shall have the right to compel the conversion of the Series A Preferred Stock into Common Stock of the Company at a conversion price of \$1.25 per share provided that the closing price of the Company's Common Stock on the OTC Bulletin Board, any automated quotation system administered by the National Association of Securities Dealers, Inc. or on any securities exchange is \$5.00 or more for ten consecutive trading days, provided notice is provided by the Company not later than 30 days following the conclusion of such 10 trading day period.

No fractional share or scrip representing a fractional share will be issued upon conversion of the Series A Preferred Stock, which shall be rounded to the nearest whole share of Common Stock. In the event of any reclassification, merger, consolidation or change of shares of the Series A Preferred Stock and/or the Common Stock of the Corporation, the Corporation shall make adjustments to the conversion ratio which shall be nearly as equivalent to that stated above as may be practical.

The holder of any shares of Series A Preferred Stock may exercise the conversion right specified in this paragraph by surrendering to any transfer agent of the Corporation the certificate or certificates for the shares to be converted, accompanied by written notice specifying the number of shares to be converted. Upon the occurrence of the event specified in the immediately preceding paragraph, the outstanding shares of Series A Preferred Stock shall be converted automatically without any further action by the holders of such shares and whether or not the certificates representing such shares are surrendered to the Corporation or its transfer agent; provided that the Corporation shall not be obligated to issue to any such holder certificates evidencing the shares of Common Stock issuable upon such conversion unless certificates evidencing the shares of Series A Preferred Stock are either delivered to the Corporation or any transfer agent of the Corporation. Conversion shall be deemed to have been effected on the date when delivery of notice of an election to convert is made or on the date of the occurrence of the event specified in the immediately preceding paragraph, as the case may be, and such date is referred to herein as the "Conversion Date." As promptly as practicable thereafter (and after surrender of the certificate or certificates representing shares of Series A Preferred Stock to the transfer agent of the Corporation in the case of a voluntary conversion), the Corporation shall issue and deliver to or upon the written order of such holder a certificate or certificates for the number of full shares of Common Stock to which such holder is entitled. The person in whose name the certificate or certificates for Common Stock are to be issued shall be deemed to have become a holder or record of such Common Stock on the applicable Conversion Date. Upon conversion of only a portion of the number of shares covered by that certificate representing shares of Series A Preferred Stock surrendered for conversion, the Corporation shall issue and deliver to or upon the written order of the holder of the certificate so surrendered for conversion, at the expense of the Corporation, a new certificate covering the number of shares of Series A Preferred Stock representing the unconverted portion of the certificate so surrendered.

The conversion price shall be subject to adjustments in certain events, including (i) the issuances of capital stock as a dividend or distribution on Common Stock, (ii) subdivisions, combinations, forward and reverse stock splits and reclassification of the Common Stock, (iii) the fixing of a record date for the issuance to all holders of Common Stock of rights or warrants entitling them (for a period expiring within thirty (30) days of such record date) to subscribe for Common Stock, and (iv) the fixing of a record date for the distribution to all holders of Common Stock of evidence of indebtedness or assets (other than cash dividends) of the Corporation or subscription rights or warrants (other than those referred to above). Adjustment in the conversion price may be postponed until the cumulative effect of any adjustments amount to five percent (5%) or more of the conversion price.

5. Redemption. The Corporation shall have the right to redeem the Series A Preferred Stock at any time. Except as otherwise provided herein, nothing contained herein shall obligate the Corporation to redeem the Series A Preferred Stock at any time, and holders of the Series A Preferred Stock shall have no right to obligate the Corporation to redeem any shares of Series A Preferred Stock at any time.

6. Voting Rights. Except as may be provided by law, the holders of Series A Preferred Stock will not be entitled to vote on matters submitted generally to the shareholders of the Corporation. Unless the vote or consent of the holders of a greater number of shares is required by law, the consent of the holders of at least two-thirds of this Series A Preferred Stock at the time outstanding shall be necessary to change, alter or revoke the rights and preferences conferred upon the Series A Preferred Stock by these Amended Articles of Incorporation (the "Articles"), as amended from time to time, or for issuance of further shares of this series or another class of preferred stock which shall be senior to the Series A Preferred Stock.

7. Exclusion of Other Rights. Except as may otherwise be required by law, the shares of Series A Preferred Stock shall not have any preferences or relative, participating, optional or other special rights, other than those specifically set forth in these Amended and Restated Articles of Incorporation (as such Amended and Restated Articles of Incorporation may be amended from time to time). The shares of Series A Preferred Stock shall have no preemptive or subscription rights.

8. Severability of Provisions. If any right, preference or limitation of the Series A Preferred Stock set forth in these Amended and Restated Articles of Incorporation (as such Articles may be amended from time to time) is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other rights, preferences and limitations set forth in these Articles (as these Articles may be amended from time to time) which can be given effect without the invalid, unlawful or unenforceable right, preference or limitation shall, nevertheless, remain in full force and effect, and no right, preference or limitation herein set forth shall be deemed dependent upon any other such right, preference or limitation unless so expressed herein.

9. Status of Recquired Shares. Shares of Series A Preferred Stock which have been issued and reacquired in any manner shall be cancelled and may be authorized or available for issuance as either Series A or any subsequent series or class of Preferred Stock.

Series B Preferred Stock

1. Designation and Number of Shares. The Series B Preferred Stock shall be designated "Series B Cumulative Convertible Preferred Stock" of a par value of \$.01 each (the "Series B Preferred Stock"), and the number of shares constituting the Series B Preferred Stock shall be 375,000 shares.

2. Dividend Rights. Commencing July 1, 1997, holders of shares of the Series B Preferred Stock shall be entitled to receive dividends at an annual rate of 9.6% (\$.096) per share out of funds legally available therefor and when and to the extent declared by the Board of Directors. Dividends shall be payable in arrears in semi-annual installments on January 1 and July 1 in each year, commencing January 1, 1998. Dividends on the Series B Preferred Stock shall be fully cumulative.

H97000015351

Dividends may be paid either in cash or in Common Stock of the Corporation or a combination thereof. In the event that the Corporation, in its sole discretion, chooses to pay dividends through the issuance in whole or part of its Common Stock, those shares of Common Stock of the Corporation issued to satisfy such dividends shall be valued at the average closing price of the Common Stock of the Corporation for the five trading days preceding declaration of such dividend or, in the absence of a trading market for the Common Stock of the Corporation, at the fair value thereof as determined by the Board of Directors.

If on any dividend payment date, the holders of the Series B Preferred Stock shall not have received the full dividends provided for in the other provisions of this paragraph 2, then such dividends shall cumulate, whether or not earned or declared, with additional dividends thereon for each succeeding full dividend period during which such dividends shall remain unpaid. Unpaid dividends for any period less than a full dividend period shall cumulate on a day-to-day basis and shall be computed on the basis of a 365-day year.

3. Distributions Upon Liquidation, Dissolution or Winding Up. In the event of any voluntary or involuntary liquidation, dissolution or other winding up of the affairs of the Corporation, but before any distribution or payment shall be made to the holders of Common Stock and the holders of the Series B Preferred Stock shall be entitled to be paid \$1.00 per share on all outstanding shares of Series B Preferred Stock as of the date of such liquidation or dissolution or such other winding up plus any accrued and unpaid dividends thereon to such date, and no more, in cash or in property taken at its fair value as determined by the Board of Directors, or both, at the election of the Board of Directors. If such payment shall have been made in full to the holders of the Series B Preferred Stock and any subsequent issue of Preferred Stock, the remaining assets and funds of the Corporation shall be distributed among the holders of any Junior Preferred Stock so designated and thereafter to the holders of Common Stock of the Corporation. If, upon any such liquidation, dissolution or other winding up of the affairs of the Corporation, the net assets of the Corporation distributable among the holders of all outstanding shares of the Series B Preferred Stock, and any subsequent issue of Preferred Stock issued on a pari passu basis shall be insufficient to permit the payment in full to such holders of the preferential amounts to which they were entitled, then the entire net assets of the Corporation shall be distributed among the holders of the Series B Preferred Stock and any subsequent issue of Preferred Stock issued on a pari passu basis ratably in proportion to the full amounts to which they would otherwise be respectively entitled. Neither the consolidation or merger of the Corporation into or with another corporation or corporations, nor the sale of all or substantially all of the assets of the Corporation to another corporation or corporations shall be deemed a liquidation, dissolution or winding up of the affairs of the Corporation within the meaning of this paragraph.

4. Conversion Rights. Holders of the Series B Preferred Stock will have the right, at their option and subject to procedures established from time to time by the Corporation, to convert the Series B Preferred Stock into the Corporation's Common Stock at a conversion price of \$2.00 per share of Common Stock. The Company shall have the right to compel the conversion of the Series B Preferred Stock into Common Stock of the Company at a conversion

No fractional share or scrip representing a fractional share will be issued upon conversion of the Series B Preferred Stock, which shall be rounded to the nearest whole share of Common Stock. In the event of any reclassification, merger, consolidation or change of shares of the Series B Preferred Stock and/or the Common Stock of the Corporation, the Corporation shall make adjustments to the conversion ratio which shall be nearly as equivalent to that stated above as may be practical.

The holder of any shares of Series B Preferred Stock may exercise the conversion right specified in this paragraph by surrendering to any transfer agent of the Corporation the certificate or certificates for the shares to be converted, accompanied by written notice specifying the number of shares to be converted. Upon the occurrence of the event specified in the immediately preceding paragraph, the outstanding shares of Series B Preferred Stock shall be converted automatically without any further action by the holders of such shares and whether or not the certificates representing such shares are surrendered to the Corporation or its transfer agent; provided that the Corporation shall not be obligated to issue to any such holder certificates evidencing the shares of Common Stock issuable upon such conversion unless certificates evidencing the shares of Series B Preferred Stock are either delivered to the Corporation or any transfer agent of the Corporation. As promptly as practicable thereafter (and after surrender of the certificate or certificates representing shares of Series B Preferred Stock to the transfer agent of the Corporation in the case of a voluntary conversion), the Corporation shall issue and deliver to or upon the written order of such holder a certificate or certificates for the number of full shares of Common Stock to which such holder is entitled. The person in whose name the certificate or certificates for Common Stock are to be issued shall be deemed to have become a holder or record of such Common Stock on the applicable Conversion Date. Upon conversion of only a portion of the number of shares covered by that certificate representing shares of Series B Preferred Stock surrendered for conversion, the Corporation shall issue and deliver to or upon the written order of the holder of the certificate so surrendered for conversion, at the expense of the Corporation, a new certificate covering the number of shares of Series B Preferred Stock representing the unconverted portion of the certificate so surrendered.

The conversion price shall be subject to adjustments in certain events, including (i) the issuances of capital stock as a dividend or distribution on Common Stock, (ii) subdivisions, combinations, forward and reverse stock splits and reclassification of the Common Stock, (iii) the fixing of a record date for the issuance to all holders of Common Stock of rights or warrants

entitling them (for a period expiring within thirty (30) days of such record date) to subscribe for Common Stock, and (iv) the fixing of a record date for the distribution to all holders of Common Stock of evidence of indebtedness or assets (other than cash dividends) of the Corporation or subscription rights or warrants (other than those referred to above). Adjustment in the conversion price may be postponed until the cumulative effect of any adjustments amount to five percent (5%) or more of the conversion price.

5. Redemption. The Corporation shall have the right to redeem the Series B Preferred Stock at any time. Except as otherwise provided herein, nothing contained herein shall obligate the Corporation to redeem the Series B Preferred Stock at any time, and holders of the Series B Preferred Stock shall have no right to obligate the Corporation to redeem any shares of Series B Preferred Stock at any time.

6. Voting Rights. Except as may be provided by law, the holders of Series B Preferred Stock will not be entitled to vote on matters submitted generally to the shareholders of the Corporation. Unless the vote or consent of the holders of a greater number of shares is required by law, the consent of the holders of at least two-thirds of this Series B Preferred Stock at the time outstanding shall be necessary to change, alter or revoke the rights and preferences conferred upon the Series B Preferred Stock by these Amended Articles of Incorporation (the "Articles"), as amended from time to time, or for issuance of further shares of this series or another class of preferred stock which shall be senior to the Series B Preferred Stock.

7. Exclusion of Other Rights. Except as may otherwise be required by law, the shares of Series B Preferred Stock shall not have any preferences or relative, participating, optional or other special rights, other than those specifically set forth in these Amended and Restated Articles of Incorporation (as such Amended and Restated Articles of Incorporation may be amended from time to time). The shares of Series B Preferred Stock shall have no preemptive or subscription rights.

8. Severability of Provisions. If any right, preference or limitation of the Series B Preferred Stock set forth in these Amended and Restated Articles of Incorporation (as such Articles may be amended from time to time) is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other rights, preferences and limitations set forth in these Articles (as these Articles may be amended from time to time) which can be given effect without the invalid, unlawful or unenforceable right, preference or limitation shall, nevertheless, remain in full force and effect, and no right, preference or limitation herein set forth shall be deemed dependent upon any other such right, preference or limitation unless so expressed herein.
