c. From the receipt of the selling shareholder's notice, the corporation shall have thirty (30) days to purchase the interest of the selling shareholder on the following terms and conditions:

(1) The purchase price for each share of the stock shall be the price established by unanimous written agreement of all shareholders not more than one year prior to the date of the notice of intention to sell or, in the absence of such unanimous written agreement, the book value on the last day of the month preceding the date of the notice of intention to sell. In the latter case, the accountant for the corporation at the date of the notice of intention to sell shall determine the book value and the corporation shall pay said amount in cash. In the event of a sale at a purchase price established by unanimous written agreement, the purchase price shall be paid upon the terms set forth in the agreement or, in the absence of such an agreement upon terms of the purchase, the

5. This Agreement shall be binding upon the parties hereto, their heirs, successors and assigns and legal representatives.

6. Each shareholder shall execute a will or codicil to an existing will directing the legal representative of his estate to sell the decedent's stock under the provisions of the agreement. Failure to so execute a will or codicil shall not affect the rights of any parties to this agreement nor the obligation of the estate of any deceased shareholder.

7. In the event any transfer, encumbrance, or distribution of stock of the corporation under this Article creates an equal division of stock between two shareholders or shareholder

factions, and any voting deadlock occurs, the President of the corporation or the person acting in the President's capacity, shall cause the corporation to issue one share of stock to a person acceptable to the two equal shareholders or shareholder factions, or failing agreement, to the corporation's resident agent, so that the ability of the corporation to exist or operate shall not be impaired, and so that dissolution may be avoided.
