On July 3, we applied for reinstatement. We enclosed a check for \$1,050.00. After the application was forwarded, we were informed Bank America had closed the checking account. Our deposit to cover the check was returned.

I have enclosed a bank check to replace the check, which the bank informs me will be returned.

I have also enclosed a bank check for \$15.00 to cover the cost of the returned check.

I am sorry for any inconvenience.
