In re: White Pelican Enterprises

Document Number: P95000054981

To Whom It May Concern:

Recently I received a Notice of Administrative Dissolution or Revocation from the Florida Department of State with reference to my company, White Pelican Enterprises. As I told the person to whom I spoke when I called about it, this was quite a shock, as I had received no other notices or mailings about White Pelican all year.

A look at the enclosed documents will show why I did not receive the earlier notices. When the change of address was filed for White Pelican, apparently your data entry person failed to remove the first line of the previous address, including it as part of the new address. Evidently, unable to find Sandpiper Lane in Tallahassee, the Post Office returned the first notices to you as "undeliverable", then decided to try East Shamrock with this mailing, so I finally received something.

As I have always received and filed my annual reports in the past, I felt it was quite unfair for my company to be penalized \$600 for a data entry error on your part, and the person to whom I spoke agreed.

So, enclosed please find a check for \$150. Please may the necessary corrections to your records so that this situation does not arise again.

Thank you very much.

Sincerely,

Jayne T. Wallace, President
White Pelican Enterprises
