ARTICLE IV

The business of this corporation shall be conducted, carried on, and managed by the officers of this corporation and a board of directors composed of one (1) or more members, which number may be altered from time to time in accordance with the By-Laws adopted by this corporation within the limitations prescribed by law.

The officers of this corporation shall be a president and any other officer as the board of directors may seem expedient. Any two or more offices may be held by the same person.

This corporation reserves the right to amend or repeal any provisions contained in these Articles of Incorporation, or any amendment hereto, and any right conferred upon the shareholders is subject to this reservation. If all the directors severally or collectively consent in writing to any action taken or to be taken by the corporation, and the writings evidencing their consent are filed with the Secretary of the corporation, the action shall be as valid as though it had been authorized at a meeting of the board of directors.

Each shareholder of this corporation shall have the first right to purchase shares (and securities convertible into shares) of any class, kind or series of stock in this corporation that may from time to time be issued (whether or not presently authorized), including shares from the treasury of this corporation, in the ratio that the number of shares he holds at the time of issue bears to the total number of shares outstanding, exclusive of treasury shares.
