Re: Uniform Business Report.
Document number: P95000058705:

My Corporation has been in existence since 1995. Every year after, around January/February I have dutifully filed its Business Report.

This year 2003, was no different 'or so I thought', until I received in the mail the attached report notifying me that 2003 was delinquent.

Researching my records and bank statement 'to my horror' I discovered that I had completed and mailed the report in February 03 but omitted to enclose the \$150.00 reporting fee.

Having discovered this mistake I contacted your offices indicating what I had done, and (in hope) that the report was received, but endorsed filing fee not enclosed. Unfortunately there was no record. I now understand that you would not contact me in this matter.

Clearly, I am at fault for not attaching the \$150.00 filing fee which I am very puzzled about.

I would like to seek your understanding in this matter and not to penalize me for my stupidity

I enclose a completed report, together with the original filing fee of \$150.00 plus \$8.75 for certificate of status, in hope that you might view this matter sympathetically.

Yours sincerely

JK Wood
