Gentlemen:

I would like to just verify the information that you are receiving in the enclosed letter dated January 23, 2001 from my CPA regarding my corporation renewal.

As my mother, Rachel Del Plato has always handled these matters, I was not aware of them. As stated she was the general manager until she was taken ill. She is slowly returning to work after her mastectomy and a year of treatments for cancer. She recently made me aware that no form had come from the State for our annual Corp. renewal. The person filling in for her was not aware of this. After looking into this matter I discovered a payment was made in 1999 with a change in name and address.

I suppose, if she had thought of it, she suspected the bill would come and it would be paid. I myself had just recovered from a major accident and was in the mist of helping my own wife going through thyroid cancer. My corporation is ongoing and there has been no reason for discontinuing.

Due to the extenuating circumstances in this matter, I am enclosing \$300.00 for a payment of \$150.00 for last year's renewal and \$150.00 for this year's renewal in the hope that I will be reinstated. Thank you and please forward any forms that I may need for the future. If you have any questions, please contact me at 941-723-1530.

Sincerely,

Michael Sabatino, president
