To whom it may concern:

This is in response to the second notice of the 1997 Profit Corporation Annual Report. For some reason I never got the first notice of the Annual Report, it could be that you still have the old address on your records. This second notice was forwarded by the post office with a yellow sticker to my new address; I should have received the first notice the same way, but never happened. I called the telephone number given on the packet and explained my situation, the representative advice me to write a letter explaining the problem and enclose a check for \$165.00. I am following the representative's advice by writing this letter and enclosing a check. I am also making the address changes necessaries to update my records.

I hope you understand my position, I just want to be in good standing and without any obstacles to operate.

Sincerely,

Include

Juan Machadó President
