To Whom It May Concern:

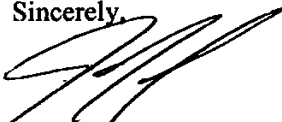

Attached you will find a copy of the Corporate Annual Report for Sebring Communications Inc. Document #P95000066881. I apologize for the tardiness of this Annual Report and would like to request the waiver of the \$400 penalty for the following reasons.

The Taxpayer said they never received a report from the Department of State this year. We understand this is not a strong argument for late filing, however, it did in part add to our confusion as is explained below.

This is a new client of mine that was acquired during tax season. During one of our first meetings we discussed this report and it was my understanding that the Taxpayer would file the Report. Later, after their Federal and State Tax Returns were delivered, the Taxpayer gave me a blank check and said that it was for their corporate tax return and that I should have the amount. I incorrectly interpreted that to mean the check was payment for my services and that I would have the bill at my office. The Taxpayer, however, intended me to write the check to the Division of Corporations for their Annual Report.

Thanks for your time and consideration. If you have any questions or need to send a reply, you can call or write me at anytime.

Sincerely,

Jeff Carlson
