Subject: Trask Industries, Incorporated's Annual Report

Ref. Number: P95000067449

The following is to confirm receipt of your letter dated June 29, 1999, received July 5, 1999.

In the above-mentioned correspondence, you notified us that our Annual Report was received, yet it was received past the May 1, 1999 deadline, therefore, we are being held responsible for the \$400.00 late filing fee.

Please be aware that I would like to appeal this decision to charge us with such a hefty fee. If you notice, check # 1184 was issued on April 27th, 1999 That same day the report was dropped at Miami's General Mail Facility, the central post office drop site in our area. Unfortunately we have experienced U.S. Postal service failures in the past and we feel this is what happened with our annual report.

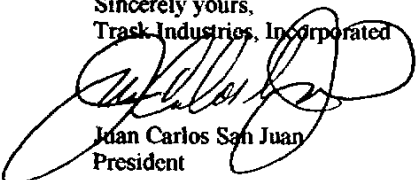

Here at Trask, we make it a point of fulfilling our obligations on a timely manner, specially when the late fee is as astronomical as this. As a one person, home based business, I assure you that as a company we cannot afford to pay such heavy fines or late fees.

I would like to request that you accept please accept my original application along with the original filing fee. As a lawful citizen of the state of Florida, we will adhere to your final decision, but please allow us to implore you to honor our most honest and humble efforts to point out an injustice.

Please notice that we have replied within the 30 days from the date of the original correspondence, therefore, no further actions should be taken against Trask Industries, Inc. until you respond to this letter.

Thanking you in advance for your cooperation, prompt action and understanding.

Sincerely yours,
Trask Industries, Incorporated

Juan Carlos San Juan
President
