Attn: Reinstatement Section  
Re: Document Number P95000069121

To Whom it may concern;

I'm writing this letter based on my telephone conversation on February the 8th with your reinstatement section concerning the reinstatement of the above corporation. Upon informing them the reasons for failure to file my 1998 annual report , they told me that I should sent a letter explaining in detail the reasons for non filing.

First, its been my practice since incorporating my business of providing my outside accountant with these annual reports as soon as I received them, particularly for him to fill out any information that might pertain to any tax matter. This has been done for the past few years. I was kind of annoyed when I received a certificated of administration dissolution or revocation in November of 1998. I called the accountant immediately and informed him of the certificate of dissolution and his reply was that he never received the 1998 annual report and that he could'nt be held responsible. I want to reassure you that he did received the reports and now he is denying it. In any case, he told me to write a check in the amount of \$ 150.00, which I did and that he was going to write a letter to you explaining what happened.

In the process of applying for a sales tax number for an additional location that I'm opening on February 15th of this year, I was confronted by the Florida Dept. of Revenue and informing me that my corporation was dissolved effective October 16, 1998. This infuriated me since I thought this matter was taken care of in November of last year. Again I discuss this matter with the accountant and to my dismay and disbelief , he told me that he inadvertantly misfiled my check and form and had just found them.

Unfortunately I relied on my accountant . I made this mistake and have taken proper measures so it won't happen again. I'm personally taking care of this matter and requesting for the above reasons, reinstatement and waiver of reinstatement fees. Enclosed you will find a check in the amount of \$ 300.00 for last and current years fees and a prepaid filled out federal express envelope so you could sent it back as soon as possible. It is pertinent that I resolve this matter expediciously for the reason that I need to register with the Department of Revenue and Department of Business Regulations. If you need any additional information or should you need to
