To Whom It May Concern;

On the morning of July the fifth, I spoke with one of your agents. I explained that I had received a notice that stated there had not been a report filed on time. I had already checked with the bank to see if the check had been cashed, it has not. I do have records of the check being written, and records of the postal transactions. The report was mailed on April 27th, and received by your department on April 30th. Your agent explained that around the time my report arrived so did approximately another 150,000, and sometimes reports do get lost. The agent instructed me on the process that I need to follow, a} write a letter, b} fill out the new form, c} make out a check for \$150.00, d} include all information on original mailing and any other items that I have, i.e. burden of proof, e} mail everything to Divisions Of Corporations. Done.

Thank You

A handwritten signature in black ink, appearing to be "J. R. Smith", written over the "Thank You" text.
