To Whom It May Concern:

The enclosed document is being sent in late because I just found the document in a to-do file. Our office manager who normally is in charge of handling our state and federal forms left us about two months ago. She properly filed this form but I was not informed of its whereabouts. I just, by luck, came upon it. I hope you will check our history to see we are never late and give us a much-needed break. I have of course enclosed the \$150.00 due.

Thank you in advance,

Earl Ratliff
President
