Re: TPF Management, Inc. - Reinstatement Request enclosed

We currently have three corporations registered with the State of Florida. In April, I returned all three Corporate Returns to the Department of State in the same envelope. Two of the three corporate returns were processed but the third evidently had not been processed. At the time we returned the corporate returns, we also indicated an address change for all three corporations.

In speaking with Sean Toner of your reinstatement office this morning, he recommended that I explain the situation to you via this letter, return the application for reinstatement along with a check for the \$150.00 fee and ask that you waive the \$600 penalty fee.

Since all three returns were put in the same envelope, and only two of the three were processed, I respectfully ask that you waive this \$600 penalty and reinstate TPF Management, Inc. as an operating corporation within the State of Florida.

In addition, please change the address on all three of our corporations, TPF Management, Inc., TPF Pembroke Pines, Inc. and TPF Cooper City, Inc. as follows:

Principal Office Address:

Mailing Address:

6856 Entrada Pl. Boca Raton, FL 33433-2734 (561) 488-4537 (561) 488-3291 (fax) P.O. Box 880072 Boca Raton, FL 33488-0072 (561) 488-4537 (561) 488-3291 (fax)

Thank you for your consideration in this matter.

Sincerely,

Martin Silbernik
President, TPF Management, Inc.
