Re: Filing Corporations Report 2002

Dear Sirs,

In moving our office, due to the growth of three corporations, I never received the renewals for the above three corporations. It seems that when I boxed all equipment, files, and the usual miscellaneous into the various boxes, and these were all taken to the new location, and then the process began of reorganization, one box failed to be delivered. Much to my surprise, I was given a lost box today, and when I opened the box there was a few lost and much forgotten items along with a rubberband bound collection of that days mail, which contained all three corporation filing papers.

I am asking you at this time to please take leniency on this bookkeeper, if you would look at our past record, I have never been late, and have always

filed in advance. I really did move and these documents were just now found.

Again, thank you for any consideration. I am enclosing the required filing documents along with the fee. Please let me know.

Thanking you in advance,
