Florida Department of State  
Division of Corporations  
Annual Reports Filing  
P.O. Box 1500  
Tallahassee, Florida 32302-1500

Dear Sirs:

I was sent a notice that the Division of Corporations did not receive my payment for my annual report for both of my corporations, Island Chef, Inc. and Action Golf Car, Inc.. I mailed this payment in one envelope with 2 separate checks for both corporations on April 1<sup>st</sup>, 1998. When I called the Division of Corporations at 850-488-9000, about this situation, the person I spoke with told me to write a letter explaining the situation, and send it along with the \$150.00 payment for each corporation. She told me that because it was not my fault that the postal service lost my envelope that most likely they would waive the late penalty. I did this, and I received another letter stating that it was necessary to received the late penalty before my document could be filed.

I then went to the post office where I mailed my payments from, and requested a loss report to be filed. They sent out a loss report on 7/25/98. The post office told me that it would be sent to the Division of Corporations, and to the Postal Inspection Service, and that I would get a copy back of that report when both parties responded. I have on numerous occasions checked on the status of this report at the post office, and they informed me that they had not received any response from the Division of Corporations, and that they were waiting on this information. I finally requested that they send an additional copy to the Division of Corporations again, and that I get my copy from the post office to see if they were able to located it.

The postal service was not able to locate my letter. They did send me a letter of apology for losing my mail. This letter speaks for itself, and I have enclosed a copy of the letter.

My husband and I work 7 days a week, trying to make ends meet, and keep our two business operating. (Not to count keeping our family of five going.) It is in the best interest of the state to continue to allow our corporations to remain in business, to continue contributing to the state for our taxes.

I am urging you to accept my payment of \$150.00 for each corporation, and waive the penalty, and allow us to continue to stay in business.

Thank you for your time.

Sincerely,

Tawnie L. Brillhart

This is in response to your recent inquiry.

I was disappointed to learn of the situation you have encountered with your postal service. It is my understanding that on 4/1/98, you mailed a payment to Division of Corporations. Unfortunately, it has not been received and you have incurred late penalties as a result of this mishap. Please be assured that instances of lost mail are rare, and I am very concerned with your report. Every effort will be made to locate your missing mail and to prevent this problem from occurring in the future.

While I realize that an apology does not diminish the seriousness of your complaint, please accept ours in the spirit in which it is offered. It is my hope that this letter will be of assistance in explaining to your creditor your unfortunate circumstances, and that they will waive the late fee assessed to your account.

Sincerely,

A handwritten signature in cursive script that reads "Gina Poppell".
