To whom it may concern,

I just received a late notice on corporation registration fees for Wise Tel, Inc. I have contacted your office and explained this payment was made on April 25th with check number 1625 from our Wise Tel, Inc. checking account. We checked with Bank of America today and this check has not yet been posted.

Your office instructed me to send this letter along with another check in the amount of \$150.00.

Please accept this payment for \$150.00 and don't penalize me for the first payment not getting to you prior to May 1st. We did mail it within the time frame it was due. Apparently you haven't received it or it was possibly misdirected and never processed it.

We run a small home based business and really can't afford to pay a late fee of \$400.00. Please accept this check in the amount of \$150.00 as payment for Wise Tel, Inc. and credit our account in good standing.

Should our original payment surface, please return it to me at the address on record. I do not want to have to put a stop payment on the original check if not necessary to avoid the bank fees for doing so.

Please don't hesitate to call with any questions.

Thanking you in advance for your cooperation in regard to this matter.

Respectfully submitted,

Nicholas Verrengia
Wise Tel, Inc.
