To Whom It May Concern;

Enclosed please find a copy of last year's corporate filing fee updated with a check per your request. Please note this is the third year in a row we did not receive the First Notice form for filing.

Three years ago we thought we had made a mistake and paid the fine. Last year we waited for the form, which never came. When we received the second late notice with the \$400 fine, I unhappily paid it, but warned everyone in the office to take special care that we look out for the new form next year.

That same day I was at a client's office who also received the late notice and was upset because it was the second year in a row they had not received their first notice. In asking around another client had the same complaint. These initial forms are being lost somewhere.

So I am sending in the copied version of the form. I will keep a copy in case this happens again.

If there are any further questions, please contact us at 941-458-0009.

Sincerely;

A handwritten signature in black ink, appearing to read "Michael W. Corradino", is written above the printed name.
