To Whom It may Concern:

Back in April, I sent in my annual tax report with a change. I neglected to sign something & it was sent back to me. Since I received it at my P.O. box, and being right at the Post Office, I got a new envelope, took care of the signature, & sent it right back.

In August, I received another notice, asking for \$400 returning my application, stating that the fee to file was \$150 plus \$400. I immediately called & was told to send in \$150 and explain the situation. (My second check for \$150 dated 7/22/98 # 1888 was never returned, nor did it clear the bank)

I then sent in another letter, another payment (check #1900 for \$150). About a week ago, since I still had not received any paper work on my corporation, I called again to find out why not. I was then informed that my corporation was dissolved & nothing had been received.

Frankly, I am puzzled. What is happening to my applications? I have been calling in to your office all along with this matter. I have never had any problems whatsoever in the past with filings.

I was advised on my last phone call to your office, to wait to receive the papers to dissolve my corporation, write back an explanation, send in \$150 one more time. This time I should certify my mail. I am doing so and hope that all is straightened out soon.

If you need any copies of the letters that I've written, or check stubs, please let me know. Otherwise, I will expect that this matter will be handled properly by your office.

Thank You,

Iris Hyman, President
