Division of Corporations

I am requesting a reinstatement of the corporation North Hill Manor. I did not receive a renewal form. I did contact your office and remitted an application and the application fee of \$150.00 several weeks ago. I then contacted your office in early November and the office stated that they had received the application and fee but there was not a name on the application for the registered agent. They asked me to download the form from your web site. I attempted this for several days and was unsuccessful. I then called your office again and they informed me that the web site was not functioning. Michelle Milligan then stated to me that a form would be sent to me and instructed me to write a letter explaining the circumstances of this application being tardy. Michelle also stated that since this application was requested by mail you would accept this application without the extra fees.

One of the agents from this department stated to me that our fee of \$150.00 as been accepted. However, I am enclosing another fee of \$150.00 just in case this was not accurate. If my first fee has been accepted by your department, please mail back the second fee I am mailing with this letter and application.

I will also check my past bank statement to see if payment had been accepted by your department.

Thank you in advance for your help in this matter.
