To whom it may concern:

We are in receipt of your letter dated August 21, 1998, attached, saying that the form is not being processed until a late fee is paid.

This is ridiculous, that we should have to pay this late penalty fee as we submitted our corporation annual report along with the fee of \$150.00 on time. The first notice of the annual report was mailed to Tallahassee on or about April 14, 1998, therefore was mailed within more than enough time for your office to process. It is not my fault that your office lost the report or that it was lost in the mail. As soon as the second notice was received, we immediately mailed another check along with the 2nd annual report form sent and an explanation that it was submitted on time. I have contacted Secretary of State, Sandra Mortham's Office to complain about this problem. I have been told that this matter could be handled without the penalty by writing back with this explanation. Your office should make an attempt to give a second notice before the penalty is imposed as you have done in the past. If taxpayers receive a second notice, they can then stop payment on checks they had already mailed and issue new ones for instances like this.

I am enclosing the annual report and fee of \$150.00. Please process this report as soon as possible and please contact us to verify this matter is resolved. (813) 845-8798

Sincerely,

Tom Teufel - Pres.
