Re:Annual Report  
Angels in Training, Inc.

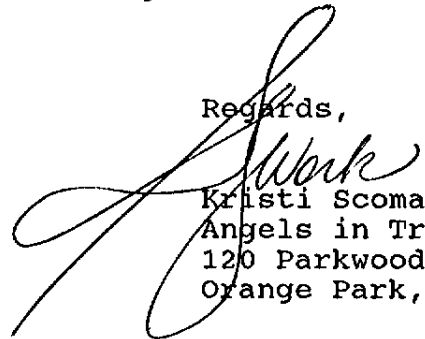

The original document that we received for filing our Annual Report was returned to your office, with our check for \$165.00, in April of this year.

The document was returned to us because it lacked an authorized signature. Our check was held and we were given instructions to sign and return the document to your office.

Since we filed our original in a timely way, we don't understand why we are being penalized for late filing. Somewhere in your office you have our original document and check.

Please advise us as to what we need to do to clear up this matter, as we are anxious to keep our corporation in tact and good standing with the state.

Regards,
