Florida Department Of State
Division of Corporation

To Whom It May Concern:

The reason for this letter is the 1997 annual report for my corporation. I received a second notice with a fee of \$550.00, however I never received the first notice nor was I aware that I had to pay such fee, I called the number on the form and explained to the person I spoke to that this was my first time owning a corporation and that I was not aware of some procedures, if I had received the first notice, I would have taken care of it then. The person suggested that I wrote this letter explaining the situation to you. I am sending a check for the initial fee of \$165.00 and I hope that you understand the situation. I assure you that this will not happen again in the future, we are learning more and more every day so that things like this do not happen.

Thank you,

Vincenza Bombardiere
