Re: FEI Number 59-3363094

I must ask for forgiveness in being late filing this report. Unfortunately, I have spent much of this year out of state caring for my brother in Alabama who has cancer. I realize that may not be a good excuse for being late. I was told just last week that I was supposed to file this report prior to June 8, 2001. I have never filed this report and did not know that I was supposed to do so.

I am a very small insurance agency that has operated without profit for the four years I have been in Fort Walton. I suppose in the past my CPA filed the report. I was unable to pay my CPA this year and consequently he opted not to continue work on my behalf.

Please do not make me pay more than the amount that I have enclosed. I am in the process of selling everything that I own just to keep my head above water. I would certainly pay you what is owed if I had the money.

I truly hope you will understand and not charge me a penalty. I am certain that in the future this report will be filed on time.
