Your Ref. Number: P96000011920

Our Profit Corporation Annual Report for 1997 was returned to us because it did not have the FEI number. At the time we filed our report we had not received this number. We are now returning the report with the number assigned to us, and our check which was also returned.

Though your letter, number 497A00021555, is dated April 25, 1997 it did not arrive in our office until the week of July 14th, we have no idea of the reason for this delay. We did not immediately return it as we were not sure if the Employer Identification Number (EIN) was the same as the FEI number, and have had trouble reaching your offices.

We hope that even though we are late in filing, everything will be in order since we are late through no fault of our own.

Thank you very much for your attention to this matter.
