Gentlemen:

Enclosed, per your instructions, is another signed Corporation Annual Report for 1997. As you can see, I signed and mailed the original report on March 31, 1997.

I have done extensive research and have found that the check I issued to you and the accompanying report has never reached your offices. Since this report was late before, I took extra care to make sure that it arrived in your office timely. I understand from your office, after a telephone conversation with Barbara, that this should take care of my filing and there will be no penalty.

Thank you for all your help and assistance in this matter.

Regards,

Charles Edwards Williams President
