Re: Reinstatement of FWB Radio, Inc.
Document #P96000015054

Dear Ms. Brumbley:

Per our conversation this morning, enclosed please find an application for reinstatement of the above-referenced corporation. Also enclosed is our check in the amount of \$8.75 for return of a Certificate of Status, to be returned in the enclosed return Federal Express package for Friday delivery. I have also enclosed a copy of the annual report which was previously filed.

As you will recall from our conversation, we filed the annual report back in July and send a check in the amount of \$550. The corporation was rejected and a Notice of Dissolution was sent out to us. You indicate that the Department cashed the check and there was no indication that a refund check had been sent to us. We have never received any documentation from the Department stating the reason for rejection, nor have we received a refund or our document back for correction. We do have our cancelled check in our file.

If you would be so kind as to reinstate the corporation and send me a Certificate of Status. I certainly appreciate all of your assistance over the phone, as well as the expeditious manner in which you are handling this matter. Let me know if you need anything further.

Again, thanks for all your help.

Sincerely yours,

Wanda Ferguson
