Attn: Ms Sprather

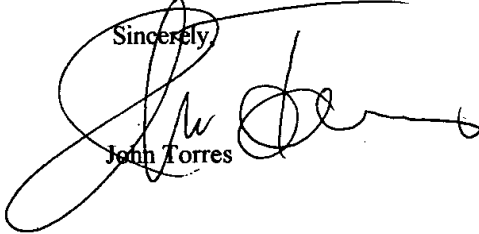

October 18, 2001

The reason my Corporate Status lapsed is the following. In December 1999 I enrolled in school any my brother Carlos Torres took over the running of the company. I did this to enhance my business by furthering my skills and knowledge. I wanted to provide more services to my company by adding Catagory 5 and Fiber Optics installations.

I would check in with my brother and things seemed to be running just fine. This was not the case. Since returning to run Planned Systems of South Florida in June 2001 I've had to let my brother go. Many accounts had been mishandled and lost, funds missing have yet to be accounted for, and last but not least tax problems. I don't lay all the blame on him, I guess I gave him too much to handle.

I wasn't aware that my Corporate Status had lapsed until I applied for workers compensation exemption. I appreciate your help in this matter. I am working very hard right now to try and re-build my company and I am going through financial hardships.

Sincerely,

  
John Torres
