Dear Sirs:

7-

Some time ago I called the Division of Corporations to explain that I had filed my report and it apparently was mailed late due to some illness and physical problems. I had recently a major shoulder operation and have not worked in a number of months.

I was informed to mail my report, send my \$150.00 and explain my illness regarding being late and everything should be fine.

I then received the enclosed letter saying I should correct my report which I did not understand. I ~~was~~ calling again the agent said my letter must have gotten separated from my filing report and that I should re-write my explanation.

Please advise if this will hopefully bring me current as I am still some time away from being able to work again.

I can be reached at 561-968-4142 or I will call to follow up in about a week.

Thank you for your attention and consideration.

Sincerely

Re H. J. P. Holdings Inc. William Petersen
