Re: Simmco Corporation Document #P96000017371

Dear Sir or Madam:

I am writing to inform you that we never receive any notices to renew this corporation.

I have enclosed our Application for Reinstatement that was recently received. As further explanation of our not knowing of the pending expiration, our attorney's office called your department on September 19th to insure this corporation was still in force. He was told it was active (no other information was explained or given regarding it expiring soon). Then we receive the enclosed application, Our attorney's secretary called and explained their having called to confirm its being active and was then told it expired after the date the attorney had called.

Therefore, I am sending you the reinstatement application and check number 670 in the amount of \$165.00 which is the initial amount the renewal of this corporation would have cost.

Please continue our request to change the name of this corporation to Palm Beach Welding, Inc., the proper paperwork has previously been sent by our attorney.

I am thanking you in advance for accepting this explanation and for your prompt handling of this matter.

Sincerely,

Glenda Simmons
Comptroller
