Dear Mr. Iger:

Re: "CF Bancshares, Inc."

Reference is made to your letter/fax dated February 27, 1998, requesting approval of the above-referenced Florida corporate name which will be a parent corporation of Citizens Federal Savings Bank of Port St. Joe, Port St. Joe, Florida, which is currently reorganizing into a unitary savings and loan holding company structure.

As Section 885.922(2)(a), Florida Statutes, exempts a financial institution, holding company or its subsidiaries from the prohibition against using the word "bank", "banker", "banking", "trust company", "savings and loan association", "savings bank", or "credit union" in its corporate name, the Division of Banking will not object to the above-subject corporate name being registered to do business in the State of Florida.

Sincerely,

ARTICLE VII - MANAGEMENT OF THE BUSINESS OF THE COMPANY

Section 1 - Authority of the Board. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors. In addition to the powers and authority expressly conferred upon them by the Florida Statutes or by these Articles of Incorporation or the Bylaws of the Corporation, the directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation.

Section 2 - Action by Shareholders. Any action required or permitted to be taken by the shareholders of the Corporation must be effected at a duly called Annual or Special Meeting of Shareholders of the Corporation and may not be effected by any consent in writing by such shareholders.

Section 3 - Special Meetings of Shareholders. Special Meetings of shareholders of the Corporation may be called by the Board of Directors pursuant to a resolution adopted by a majority of the total number of authorized directors (whether or not there exist any vacancies in previously authorized directorships at the time any such resolution is presented to the Board for adoption), the Chairman of the Board or the President of the Corporation, or by shareholders holding at least 20% of the outstanding shares of the Corporation.

ARTICLE VIII - NUMBER AND TERM OF DIRECTORS

Section 1 - Number of Directors: The Board of Directors of the Corporation shall be comprised of not less than three (3) nor more than fifteen (15) directors and shall be fixed from time to time exclusively by the Board of Directors pursuant to a resolution adopted by a majority

of the full Board as set forth in the Corporation's Bylaws. The Board of Directors is authorized to increase the number of directors by no more than two and to immediately appoint persons to fill the new director positions until the next Annual Meeting of Shareholders, at which meeting the new director positions shall be filled by persons elected by the shareholders of the Corporation. However, this paragraph shall not be construed to limit the authority of the shareholders of the Corporation to increase the number of directors in accordance with the Bylaws of the Corporation.

Section 2 - Election and Term: Directors shall be elected by plurality of the votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present. The term of the initial directors of the Corporation expires at the first shareholders' meeting at which directors are elected. The directors elected at this first meeting of shareholders shall be divided into three (3) classes, as nearly equal in number as possible. At this first meeting of shareholders, one-third (1/3) of the total number of directors to be elected shall be elected to serve a one-year term; one-third (1/3) shall be elected to serve a two-year term and one-third (1/3) shall be elected to serve a three-year term; thereafter, directors shall be elected to serve three-year terms. Directors shall be elected to serve until the expiration of their term or until a successor is duly elected and qualified, or until his earlier resignation, removal from office, or death.

Section 3 - Vacancies: Subject to the rights of the holders of any series of Preferred Stock then outstanding, newly created directorships resulting from any increase in the authorized number of directors or any vacancies in the Board of Directors resulting from death, resignation, retirement, disqualification, removal from office or other cause may be filled only by a majority vote of the directors then in office, though less than a quorum. Directors so chosen shall hold office for a term expiring at the next Annual Meeting of Shareholders. No decrease in the number of directors constituting the Board of Directors shall shorten the term of any incumbent director.

Section 4 - Notice: Advance notice of shareholder nominations for the election of directors and of business to be brought by shareholders before any meeting of the shareholders of the Corporation shall be given in the manner provided in the Bylaws of the Corporation.

Section 5 - Removal by Shareholders: Subject to the rights of the holders of any series of Preferred Stock then outstanding, any director, or the entire Board of Directors, may be removed from office at any time by the affirmative vote of the holders of at least 60% of the voting power of all of the then-outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class.

ARTICLE IX - SPECIAL VOTING PROVISIONS FOR AFFILIATED TRANSACTIONS AND BUSINESS COMBINATIONS

Section 1 - Definitions: The terms defined below shall apply for purposes of this Article IX:

A. "Affiliated Transaction," when used in reference to the Corporation and any Interested Shareholder (as hereinafter defined), means any of the following situations:

1. any merger or consolidation of the Corporation or any Subsidiary (as hereinafter defined) with (i) any Interested Shareholder or (ii) any other corporation (whether or not itself an Interested Shareholder) which is, or after such merger or consolidation would be, an Affiliate of an Interested Shareholder.

2. any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions) of assets of the Corporation or any Subsidiary of the Corporation to or with any Interested Shareholder, or any Affiliate or Associate of any Interested Shareholder:

a. Having an aggregate fair market value equal to 5% or more of the aggregate fair market value of all assets, determined on a consolidated basis, of the Corporation; or

b. Having an aggregate fair market value equal to 5% or more of the aggregate fair market value of all outstanding shares of the Corporation; or

c. Representing 5% or more of the earning power or net income determined on a consolidated basis, of the Corporation.

3. the issuance or transfer by the Corporation or any Subsidiary (in one transaction or a series of transactions) of any shares of the Corporation or any Subsidiary to any Interested Shareholder or any Affiliate of any Interested Shareholder in exchange for cash, securities or other property (or a combination thereof) having an aggregate Fair Market Value (as hereinafter defined) equaling or exceeding 5% or more of all the outstanding shares of the Corporation and its Subsidiaries, except pursuant to the exercise of warrants or rights to purchase stock offered, or a dividend or distribution paid or made, pro rata to all shareholders of the Corporation.

4. the adoption of any plan or proposal for the liquidation or dissolution of the Corporation proposed by or on behalf of an Interested Shareholder or any Affiliate of any Interested Shareholder.

5. any reclassification of securities (including any reverse stock split), or recapitalization of the Corporation, or any merger or consolidation of the Corporation with any of its Subsidiaries or any other transaction (whether or not with or into or otherwise involving an Interested Shareholder) which has the effect, directly or indirectly, of increasing the proportionate share of the outstanding shares of any class of equity or convertible securities of the Corporation or any Subsidiary which is directly or indirectly owned by any Interested Shareholder or any Affiliate of any Interested Shareholder.

6. any receipt by the Interested Shareholder or any Affiliate or Associate of the Interested Shareholder of the benefit, directly or indirectly (except proportionately as a shareholder of the Corporation), of any loans, advances, guaranties, pledges, or other financial assistance or any tax credits or other tax advantages provided by or through the Corporation.

B. "Interested Shareholder" means any Person who is the Beneficial Owner, directly or indirectly, of more than 10% of the outstanding voting shares of the corporation. However, the term "Interested Shareholder" shall not include the Corporation or any Subsidiary; any savings, employee stock ownership, or other employee

benefit plan of the Corporation or any Subsidiary; or any fiduciary of any such plan when acting in such capacity. For the purpose of determining whether a person is an Interested Shareholder pursuant to this Section, the number of shares of Voting Stock deemed to be outstanding shall include shares deemed owned through application of Article III, Section 3, but shall not include any other shares of Voting Stock that may be issuable pursuant to any contract, arrangement or understanding, upon exercise of conversion rights, warrants, options, or otherwise.

C. "Subsidiary" means any corporation of which a majority of any class of equity security is owned, directly or indirectly, by the Corporation; provided, however, that for the purposes of the definition of Interested Shareholder set forth in Paragraph B of this Section 1, the term "Subsidiary" shall mean only a corporation of which a majority of each class of equity security is owned, directly or indirectly, by the Corporation.

D. "Disinterested Director" means any member of the Board of Directors who is unaffiliated with the Interested Shareholder and was a member of the Board of Directors prior to the time that the Interested Shareholder became an Interested Shareholder, and any successor of a Disinterested Director who is unaffiliated with the Interested Shareholder and is recommended to succeed a Disinterested Director by a majority of Disinterested Directors then on the Board of Directors.

E. "Fair Market Value" means: (i) the Fair Market Value of a share on the date in question shall be determined by a majority of Disinterested Directors, appropriately adjusted for any dividend or distribution in shares of such stock or any combination or reclassification of outstanding shares of such stock into a smaller number of shares of such stock; and (ii) in the case of property other than cash or shares, the Fair Market Value of such property on the date in question as determined by a majority of the Disinterested Directors.

F. Reference to "Highest Per Share Price" shall in each case with respect to any class of stock reflect an appropriate adjustment for any dividend or distribution in shares of such stock or any stock split or reclassification of outstanding share of such stock

into a greater number of shares of such stock or any combination or reclassification of outstanding shares of such stock into a smaller number of shares of such stock.

G. "Affiliate" shall have the meaning set forth in Section 607.0901, Florida Statutes.

H. "Person" shall mean any individual, a group Acting in Concert, a corporation, a partnership, an association, a joint venture, an investors' pool, a joint stock company, a trust, an unincorporated organization or similar company, a syndicate or any other group formed for the purpose of acquiring, holding or disposing of the equity securities of the Corporation.

I. "Beneficial Ownership" is defined herein to mean a Person who, directly or indirectly, has the:

1. voting power, which includes the power to vote or to direct the voting of the "Voting Stock" as that term is defined herein;
2. investment power, which includes the power to dispose of or to direct the disposition of the Voting Stock; or
3. the right to acquire the voting power or investment power, whether such right is exercisable immediately or only after the passage of time, pursuant to any agreement, arrangement or understanding or upon the exercise of conversion rights, warrants or options, or otherwise.

J. "Acting in Concert" means (i) knowing participation in a joint activity or conscious parallel action towards a common goal whether or not pursuant to an express agreement; or (ii) a combination or pooling of voting or other interests in the securities of an issuer for a common purpose pursuant to any contract, understanding, relationship, agreement or other arrangements, whether written or otherwise.

K. "Voting Stock" means the outstanding shares of all classes or series of the Corporation entitled to vote generally in the election of directors.

Section 2 - Affiliated Transactions: In addition to any affirmative vote required by law or these Articles of Incorporation, and except as otherwise expressly provided in this Section, any Affiliated Transaction shall be approved by the affirmative vote of the holders of two-thirds of the

Voting Stock, voting together as a single class. Such affirmative vote shall be required notwithstanding the fact that no vote may be required or that a lesser percentage may be specified by law or in any agreement with any national securities exchange or otherwise.

Section 3 - Exceptions: The voting provisions of Section 2 of this Article IX shall not be applicable to a particular Affiliated Transaction if all of the conditions specified in either of the following Paragraphs A and B are met:

A. The Affiliated Transaction has been approved by a majority of the Disinterested Directors; or

B. In the Affiliated Transaction, consideration shall be paid to the holders of each class of voting shares and all of the following conditions shall be met:

1. The aggregate amount of the cash and the Fair Market Value, as of the valuation date of consideration, other than cash to be received per share by the holders of Common Stock in such Affiliated Transaction are at least equal to the higher of the following:

a. if applicable, the Highest Per Share Price (as previously defined herein), including any brokerage commissions, transfer taxes and soliciting dealers' fees, paid by the Interested Shareholder for any shares of Common Stock acquired by it (i) within the two-year period immediately prior to the first public announcement date of the Affiliated Transaction ("Announcement Date"), or (ii) in the transaction in which it became an Interested Shareholder, whichever is higher;

b. the Fair Market Value per share of Common Stock on the Announcement Date or on the date on which the Interested Shareholder became an Interested Shareholder (such latter date is referred to in this Article IX as the "Determination Date"), whichever is higher;

c. if applicable, the price per share equal to the Fair Market Value per share of such class or series determined pursuant

to sub-paragraph (b) of this Section 3, multiplied by the ratio of the Highest Per Share Price, including any brokerage commissions, transfer taxes and soliciting dealers' fees, paid by the Interested Shareholder for any shares of Voting Stock acquired by it within the two-year period immediately prior the Announcement Date (the numerator), to the Fair Market Value per share of such class or series on the first day in such two-year period on which the Interested Shareholder acquired the Voting Stock (the denominator); or

d. If applicable, the highest preferential amount per share to which the holders of shares of such Voting Stock are entitled in the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation.

2. The consideration to be received by holders of a particular class of outstanding Voting Stock (including Common Stock) shall be in cash or in the same form as the Interested Shareholder has previously paid for shares of such Voting Stock. If the Interested Shareholder has paid for shares of any class of Voting Stock with varying forms of consideration, the form of consideration for such class of Voting Stock shall be either cash or the form used to acquire the largest number of shares of such class of Voting Stock previously acquired by it. The consideration to be received pursuant to this provision shall be subject to appropriate adjustment in the event of any stock dividend, stock split, combination of shares or similar event.

3. During such portion of the three-year period preceding the announcement date that such Interested Shareholder has become an Interested Shareholder and except as approved by a majority of the Disinterested Directors:

a. there shall have been no failure to declare and pay at the regular date any full quarterly dividends (whether or not

cumulative) on any outstanding stock having preference over the Common Stock as to dividends or liquidation;

b. there shall have been (i) no reduction in the annual rate of dividends paid on the Common Stock (except as necessary to reflect any subdivision of the Common Stock), and (ii) an increase in such annual rate of dividends as necessary to reflect any reclassification (including any reverse stock split), recapitalization, reorganization or any similar transaction which has the effect of reducing the number of outstanding shares of the Common Stock, and (iii) no such Interested Shareholder who has become the Beneficial Owner of any additional shares of Voting Stock except as part of the transaction which results in such Interested Shareholder becoming an Interested Shareholder.

4. Unless approved by a majority of the Disinterested Directors, no Interested Shareholder shall have received the benefit, directly or indirectly (except proportionately as a shareholder), of any loans, advances, guarantees, pledges or other financial assistance or any tax credits or other tax advantages provided by the Corporation, whether in anticipation of or in connection with such Affiliated Transaction or otherwise, during the three-year period preceding the date the Interested Shareholder became an Interested Shareholder.

5. A proxy or information statement describing the proposed Affiliated Transaction and complying with the requirements of the Securities Exchange Act of 1934 and the rules and regulations thereunder (or any subsequent provisions replacing such Act, rules or regulations) shall be mailed to shareholders of the Corporation at least 30 days prior to the consummation of such business combination (whether or not such proxy or information statement is required to be mailed pursuant to such Act or subsequent provisions).

Section 4 - Board Discretion: A majority of the Disinterested Directors of the Corporation shall have the power and duty to determine for the purposes of this Article IX, on

the basis of information known to them after reasonable inquiry, (i) whether a person is an Interested Shareholder; (ii) the number of shares of Voting Stock beneficially owned by any person; (iii) whether a person is an Affiliate or Associate of another; and (iv) whether the assets which are the subject of any Affiliated Transaction have, or the consideration to be received for the issuance or transfer of securities by the Corporation or any Subsidiary in any Affiliated Transaction has, an aggregate Fair Market Value equal to or greater than 25% of the combined assets of the Corporation and its Subsidiaries. A majority of the Disinterested Directors shall have the further power to interpret all of the terms and provisions of this Article IX.

Section 5 - Interested Shareholder's Duty: Nothing contained in this Article IX shall be construed to relieve any Interested Shareholder from any fiduciary obligation imposed by law.

Section 6 - Amendment: Notwithstanding any other provisions of these Articles of Incorporation or any provision of law which might otherwise permit a lesser vote or no vote, but in addition to any affirmative vote of the holders of any particular class or series of the Voting Stock required by law, these Articles of Incorporation or any Preferred Stock Designation, the affirmative vote of the holders of at least 66% of the voting power of all of the then-outstanding shares of the Voting Stock (after giving effect to the provisions of Article III of these Articles of Incorporation), voting together as a single class, shall be required to alter, amend or repeal this Article IX.

ARTICLE X - ACQUISITION OFFERS

The Board of Directors of the Corporation, when evaluating any offer of another Person to (i) make a tender or exchange offer for any equity security of the Corporation, (ii) merge or consolidate the Corporation with another corporation or entity or (iii) purchase or otherwise acquire all or substantially all of the properties and assets of the Corporation, shall, in connection with the exercise of its judgment in determining what is in the best interest of the Corporation and its shareholders, give due consideration to all relevant factors, including, without limitation, the social and economic effect of acceptance of such offer on the Corporation's present and future customers and employees and those of its Subsidiaries (as defined in Article IX); the communities in which the Corporation and its Subsidiaries operate or are located; the ability of the Corporation

to fulfill its corporate objectives as a financial institution holding company; and the ability of its subsidiary financial institution to fulfill the objectives of such institution under applicable statutes and regulations.

ARTICLE XI - INDEMNIFICATION

Section 1 - General: The Corporation shall indemnify any officer, director, employee or agent of the Corporation to the fullest extent authorized by Section 607.0850 of the Florida Business Corporation Act as it now exists or may hereafter be amended (the "FBCA") but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than said law permitted the Corporation to provide prior to such amendment. This includes, but is not limited to, any person who was or is made a party or is threatened to be made a party to any action, suit or proceeding, whether civil, criminal, administrative or investigative ("Proceeding"), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, whether the basis of such Proceeding is alleged action in an official capacity as a director, officer, employee or agent or in any other capacity while serving as a director, officer, employee or agent, reasonably incurred or suffered by such person in connection therewith. Such indemnification shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators; *provided, however,* that the Corporation shall indemnify any such person seeking indemnity in connection with an action, suit or Proceeding (or part thereof) initiated by such person only if such action, suit or Proceeding (or part thereof) was authorized by the Board of Directors of the Corporation. Such right shall be a contract right and shall include the right to be paid by the Corporation for all expenses incurred in defending any such proceeding in advance of its final disposition; *provided, however,* that, the payment of such expenses incurred by a director or officer in his or her capacity as a director or officer (and not in any other capacity in which service was or is rendered by such person while a director or officer, including, without

limitation, service to an employee benefit plan) in advance of the final disposition of such proceeding, shall be made only upon delivery to the Corporation of an undertaking, by or on behalf of such director or officer, to repay all amounts so advanced if it should be determined ultimately that such director or officer is not entitled to be indemnified under this Article or otherwise.

Section 2 - Failure to Pay Claim: If a claim under Section 1 of this Article is not paid in full by the Corporation within 90 days after a written claim has been received by the Corporation, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any, has been tendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the FBCA for the Corporation to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel, or its shareholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the FBCA, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel, or its shareholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that claimant has not met the applicable standard of conduct.

Section 3 - Other Rights: The rights conferred on any individual by Sections 1 and 2 of this Article shall not be exclusive of any other right which such individual may have or hereafter acquire under any statute, provision of these Articles of Incorporation, Bylaws of the Corporation, agreement, vote of shareholders or Disinterested Directors or otherwise.

Section 4 - Insurance: The Corporation may maintain insurance, at its expense, to protect itself and any such director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust or other enterprise against any such expense, liability or loss,

whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the FBCA.

Section 5 - Personal Liability: A director of the Corporation shall not be personally liable to the Corporation or its shareholders for monetary damages for any statement, vote, decision or failure to act regarding corporate management or policy except as provided in the FBCA. If the FBCA is amended after adoption of these Articles of Incorporation and such amendment further eliminates or limits the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the FBCA, as so amended.

Any repeal or modification of the foregoing paragraph by the shareholders or the Corporation shall not adversely affect any right or protection of a director of the Corporation existing at the time of such repeal or modification.

ARTICLE XII - AMENDMENT

The Corporation reserves the right to amend or repeal any provision contained in these Articles of Incorporation in the manner prescribed by the laws of the State of Florida, and all rights conferred upon shareholders are granted subject to this reservation; *provided, however*, that, notwithstanding any other provision of these Articles of Incorporation or any provision of law which might otherwise permit a lesser vote or no vote, the affirmative vote of the holders of at least 66% of the voting power of all of the then-outstanding shares of the capital stock of the Corporation entitled to vote generally in the election of directors (after giving effect to the provisions of Article III), voting together as a single class, shall be required to amend or repeal this Article XII, Section 3 of Article VII, Article VIII, Article IX or Article XI.

In witness of the foregoing, the undersigned Incorporator have executed these Articles of Incorporation this 27th day of February, 1996.
