RESUB
3/11

We have received your document for COMPUTER & NETWORK SOLUTION, INC. and your check(s) totaling \$122.50. However, the enclosed document has not been filed and is being returned for the following correction(s):

The corporate suffix must be added to the corporate name throughout the application.

The registered agent and registered office listed in your articles of incorporation must be consistent throughout the document.

The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of an existing entity. Simply adding "of Florida" or "Florida" to the end of an entity name **DOES NOT** constitute a difference. Please select a new name and make the substitution in all appropriate places. One or more words may be added to make the name distinguishable from the one presently on file.

When the document is resubmitted, please return a copy of this letter to ensure that your document is properly handled.

If you have any questions about the availability of a particular name, please call (904) 488-9000.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (904) 487-6932.
