Re: Request to abate penalty  
65-0663701

Dear Administrative Official:

Our 2003 Uniform Business Report set aside to be part of new procedures to pay tax related items 'on-line' and was lost in the confusion. An extensive search located it in the wrong filing cabinet. Our boss, Brian Fifer, had completed the form back in early January and asked us to hold it until closer to the due date, but during that time it got moved around until it was finally put out of sight.

Prior to this (in previous years) we usually paid and submitted this form early. Future submissions will be completed through the computer. **We would like to respectfully request that you abate the penalty of \$400 because we have never before filed late and it is so close to the overdue date of May 1<sup>st</sup>.**

We would certainly appreciate your consideration in this matter.

Thank you,

  
Robert L. Björk  
Vice President, Plant Controller
