He may divide and distribute his votes, as so calculated, among any two or more candidates for the directorships to be filled, or he may cast all his votes for a single candidate. A shareholder may, if he desires, cast fewer than all the votes to which he is entitled at an election of directors, but his ballot shall be invalid if the total votes shown thereon are in excess of the total number of votes to which he is entitled.

At any such election the candidates receiving the highest number of votes, up to the number of directors to be chosen, shall stand elected, and an absolute majority of the votes cast is not a prerequisite to the election of any candidate to the board of directors.

15. **Authority to Mortgage or Pledge Assets.** The corporation may not authorize any mortgage or pledge of, or creation of a security interest in, any or all of the property and assets of the corporation for the purpose of securing the payment of performance of any obligation of the corporation, without obtaining prior shareholder approval of any and each such transaction by the vote or written consent of the holders of fifty-five percent (55%) of the shares of the corporation entitled to vote thereon and not otherwise.

16. **Meetings by Conference Telephone.** Officers, Directors, and Shareholders may participate in meetings by means of conference telephone.

17. **Amendment of Articles.** This corporation reserves the right to amend or repeal any provisions contained in these Articles of Incorporation, or any amendment hereto, and any right conferred upon the shareholders is subject to this reservation.

18. **Pre-emptive and "First Refusal" Rights.** Each shareholder of this corporation shall have the first right to purchase shares (and securities convertible into or carrying a right to subscribe for or acquire shares) of any class, kind, or series of stock in

this corporation, including shares sold otherwise than for money, that may from time to time be issued (whether or not presently authorized), including shares from the treasury of this corporation, in the ratio that the number of shares he holds at the time of issue bears to the total number of shares outstanding, exclusive of treasury shares. This right shall be deemed waived by any shareholder who does not exercise it and pay for the shares pre-empted within thirty (30) calendar days of receipt of a notice in writing from the corporation, stating the prices, terms, and conditions of the issue of shares, and inviting him to exercise his pre-emptive rights. This right may also be waived by affirmative written waiver submitted by the shareholder to the corporation within thirty (30) calendar days of receipt of notice from the corporation. The right extends, as a "right of first refusal," for the same price being offered by a purchaser, for any shares offered for sale, to anyone, by any shareholder of the corporation. Provided, however, there is no preemptive right with respect to shares issued as compensation to directors, officers, agents, or employees of the corporation or shares issued to satisfy conversion or option rights created to provide compensation to directors, officers, agents, or employees of the corporation.

IN WITNESS WHEREOF, the undersigned incorporator has executed these Articles of Incorporation this 19th day of March, 1996.

Francisco J. Villegas, Incorporator

Angel Castillo, Jr., in acceptance
