Dear Sir or Madam:

I have only received a second notice for my Profit Corporation Annual Report. I never received the original or first notice. I am submitting the amount of \$150.00 as this is what is required from me for the year.

Please check your records and see if the original was sent out to my correct address. Last year, the report was sent to another city in Florida instead of my Tampa address. I had to print the form your online address, correct it and send it to you. Your records should prove this. Could this be why I never received the initial notice? Please make sure I receive all future notices to this address:
