UBR/Division of Corporations

To whom it may concern:

I deeply regret not filing my UBR on time. Freitas Services, Inc. was incorporated on April 1996, and it had not failed to file its UBR. In April 2000, I was totally sure that I had file UBR 2000 on time, when I received the second notice with penalty. I thought it was a mistake. I looked everyway for the cancelled check, and only after not finding it, I became convinced that it was a terrible oversight but that I had not paid it on time.

I appreciate your excusing the penalty since it will put a financial strain in the corporation at this time, and I really want to stay active and become profitable.

Sincerely,

A handwritten signature in black ink, appearing to read 'Marcos Freitas', with a stylized flourish at the end.

Marcos Freitas
President
