[The following text is extremely faint and largely illegible. It appears to be a letter or a report, possibly containing a list of items or a description of an event. The text is organized into several paragraphs, with some lines indented. Due to the low contrast of the scan, the specific words and sentences cannot be accurately transcribed.]

1. The first part of the report deals with the general situation of the country and the progress of the work during the year. It is divided into two main sections: the first section deals with the general situation and the second section deals with the progress of the work.

2. The second part of the report deals with the results of the work during the year. It is divided into two main sections: the first section deals with the results of the work in the field and the second section deals with the results of the work in the laboratory.

3. The third part of the report deals with the conclusions of the work during the year. It is divided into two main sections: the first section deals with the conclusions of the work in the field and the second section deals with the conclusions of the work in the laboratory.

4. The fourth part of the report deals with the recommendations of the work during the year. It is divided into two main sections: the first section deals with the recommendations of the work in the field and the second section deals with the recommendations of the work in the laboratory.

5. The fifth part of the report deals with the summary of the work during the year. It is divided into two main sections: the first section deals with the summary of the work in the field and the second section deals with the summary of the work in the laboratory.

6. The sixth part of the report deals with the appendix. It is divided into two main sections: the first section deals with the appendix in the field and the second section deals with the appendix in the laboratory.

7. The seventh part of the report deals with the bibliography. It is divided into two main sections: the first section deals with the bibliography in the field and the second section deals with the bibliography in the laboratory.

8. The eighth part of the report deals with the index. It is divided into two main sections: the first section deals with the index in the field and the second section deals with the index in the laboratory.

9. The ninth part of the report deals with the conclusion. It is divided into two main sections: the first section deals with the conclusion in the field and the second section deals with the conclusion in the laboratory.

10. The tenth part of the report deals with the final remarks. It is divided into two main sections: the first section deals with the final remarks in the field and the second section deals with the final remarks in the laboratory.

The above report is a summary of the work done during the year. It is divided into two main sections: the first section deals with the general situation and the second section deals with the progress of the work. The results of the work during the year are given in the second part of the report. The conclusions of the work during the year are given in the third part of the report. The recommendations of the work during the year are given in the fourth part of the report. The summary of the work during the year is given in the fifth part of the report. The appendix is given in the sixth part of the report. The bibliography is given in the seventh part of the report. The index is given in the eighth part of the report. The conclusion is given in the ninth part of the report. The final remarks are given in the tenth part of the report.

The undersigned, being duly sworn, depose and say that the within copy of the report of the Board of Directors of the American Telephone and Telegraph Company, for the year ending December 31, 1934, is a true and correct copy of the report of the Board of Directors of the American Telephone and Telegraph Company, for the year ending December 31, 1934, as the same appears in the books and records of the American Telephone and Telegraph Company, and that the same is a true and correct copy of the report of the Board of Directors of the American Telephone and Telegraph Company, for the year ending December 31, 1934, as the same appears in the books and records of the American Telephone and Telegraph Company.

Subscribed and sworn to before me this 1st day of January, 1935.

Notary Public in and for the State of New York.
