RE: Late filing of the 2002 Corporate Uniform Business Report for Spiderware, Inc

To whom it may concern,

I spoke with my new accountant last week and he said that he noticed on the Internet that I had not paid the Florida Corporation Uniform Business fee to keep my corporation active in Florida. He said that my old accountant had failed to prepare the required 2002 Uniform Business Report.

I have been incorporated in the State of Florida for the past three years. During that time I have been very timely in filing the annual report. Unfortunately, I did not receive the uniform business report's from your office and was not notified of my responsibility by my previous accountant. At this time my corporation has been involuntarily dissolved for failure to pay and file my Uniform Business Report. I have completed the report and enclosed a check in the amount of \$150.00 for the filing fee.

I apologize for the delay in sending in my report and I realize that there are fines and late payment penalties due because I am filing late. At this time, because of my excellent filing history and the fact that I did not receive the filing notices I am respectfully requesting penalty abatement for the late filing of my 2002 Uniform Business Report. Your attention and sympathy to this matter will be appreciated.

Sincerely,

Irv Betrock, President
