I am seeking assistance in the matter of an unpaid UBR which was due May 1, 2000. I was told to write a letter in regards to the circumstances. I don't believe you would like my life story though.

For the past four years I have been suffering with an unknown medical problem. It wasn't till the end of '99 that it had become so bad I was unable to work. I work for a fire department and had to take a medical leave from that as well. I had temporarily brought someone in to continue the bookkeeping and financial portions of the business and until recently we did not know that this had been over looked. Due to being sick we ended up moving and had not changed the address with the Div. of Corporations which in turn we never received the UBR packet. If the address had been changed like required this would probably not have happened. However, in the mess of things I was desperately seeking answers to a medical mystery that was crippling me. Turns out I was suffering from heavy metal toxicity. After four years of suffering and thirty or so doctors I found someone that didn't believe it was stress and put two and two together.

Anyway, I have included a check for the required amount and hope that I will be able to continue my business. For now I believe I have been granted a second chance. Thank you in advance for the help in this matter.

Sincerely,

Michael D. Dombrowski Pres.
