RE: Document #P96000051640 (6)

Dear Dept. of State:

As I discussed with one of your agents this past week, I have just become aware that there is a problem with the 1997 annual report filing for my above listed corporation.

My corporation became effective in June of 1996. For much of the time since then, I have had a secretary who has taken care of the bill paying and secretarial duties. I had full confidence in this person's capabilities. Due to a family problem, my secretary left abruptly. Since that time, I have found that my faith was misplaced. She left my office in total confusion, and I have spent months since then trying to straighten things out. For example I just found out that she did not file my annual corporate return.

This is the reason I am writing. I wish to keep my corporation in active status. However due to that fact that my business is new and I am making very little money I can not afford to pay the \$550 for filing a late return. Also I had no idea that this was not taken care of.

I respectfully request that you make a one time waiver of the late fee/penalty and reinstate my corporation for the normal annual fee price.

I look forward to hearing from you soon, and I thank you for your consideration in this regard.

Yours truly,

Mohamed Ghanem
President
