Dear Sirs;

3

It came to my attention yesterday that you had not recieved the filing fee which we had sent months ago. The check was written late January and sent out in February. Since we also have another corporation and have never recieved any correspondence between filing times, I assumed that you had recieved it months ago. The document # is P96000064710 for Consolidated Environmental Engineering, Inc. We write very few checks out of the account, so we do not regularly reconcile it. The check we sent was # 111.

As I was highly concerned at now being faced with a much higher filing fee than what I had originally paid, I called the 1-900-487-6056 number and was told to send this letter of explanation along with another \$165.00 check. The check is enclosed.

I have contacted my bank, First Union, and they notified me that the original check of \$165.00 did not clear. I do not know whether to assume that it got lost in the mail or lost at your facility. Please advise me on the procedure in the event you do find the missing payment. Will it be credited to next year, or will it be refunded, or is it advisable for me just to go ahead and stop payment on it? Thank you in advance for your help in this matter.

Sincerely,

Lisa and Timothy Scott
