THE COBB COMPANY MOVES

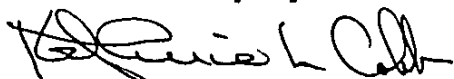

Our growth has caused us to need larger space. The Cobb Company has bought an office at Pine Park Centre, an office condominium park. The new address is on the letterhead.

We start moving on October 29th, 1997, and should be completely moved in by November 3rd. We will still be on the South Trail, but now we will be a few hundred yards south of Stickney Point Road. You can call the old number (listed above) to find out what the new telephone number and facsimile number will be.

All correspondence should be addressed to the new location beginning October 29th, 1997.

Thank you.

From all of us at
the Cobb Company
