Dear Ms. Secretary:

This letter serves to confirm receipt of a notice of administrative dissolution or revocation of Regent Export & Purchasing Inc. I would like to take this opportunity of appealing to the state to exercise a one time waiver of this penalty based on the following. Based on the information we received it was communicated that the original renewal form was sent to our address followed by a second reminder. We did not receive this correspondence based on the fact that we were having some problems with the company's mail box. We have had several instances where mail was taken from the box and as a result never did get to us. This was reported to the management of the building and the post office and we have taken the necessary steps to have the situation corrected. Since then the locks on the mail boxes have been changed and we are now receiving our mail as schedule. It would appear as if the former occupants of the building had a second key to the box which got in the wrong hands.

This have caused us some undue hardship but not withstanding the above mentioned our company had every intent of satisfying its obligation to the state and all its business affiliates in a timely manner. This will reflect in our records since the inception of the corporation. The company is still in existence and would like to continue conducting business in the state of Florida. Enclosed please find payment for the prescribed amount and we do hope that the privileges of the corporation will be re-instated as soon as possible. Please inform us in writing on the State's decision on this request. Thanks in advance for your understanding in handling this matter.

Sincerely,

Kenneth Paul Harvey
(CEO)
